_____ I am responsible and agree to pay in full the total charges for services rendered at the time of discharge and any fees incurred for collection of said charges. I understand that the fees are based on treatment deemed necessary at the time of exam, treatment, or admission, and that the estimate fee may be raised or lowered by the administration of treatment, medication, surgery, or diagnostic tests. In the event that you do not pay the total charges for services rendered as agreed, you shall be responsible for reasonable attorney's fees (33.3%), costs of collection, late fees, and interest at 6% from the date of default (30 days past due).

_____ I understand that due to an increase in the need for veterinary services, there will be a \$30 fee applied to my account in the event that I do not make my scheduled appointment without any prior communication with West End Veterinary Clinic.
